Mr James Kershaw
Licensing Department
SHDC
Plymouth Road
TOTNES TQ9 SNE

Dear Mr Kershaw

We would like to express our objections to a taxi stand on Clifton Place, Salcombe.

We are the owners of [REDACTED] and already have major issues with delivery trucks on an hourly basis, day in day out, parking in front of our small shop window, blocking us from view of potential business.

Over the years, we have tried to persuade the drivers, when possible, to park in the space away from the shop windows where you are proposing a taxi stand.

Delivery drivers are slowly learning to use this area but as drivers are always concerned that they themselves will get blocked in with other delivery drivers.

We can, with experience, visualise that it will increase more vehicles parking in front of our shop window and cause any potential taxi to be blocked in also.

We would appreciate your attention on this matter.

Regards

[REDACTED]
